THE HEART IS**

WHY CHOOSE HEARTRIDGE FLOORS?

We believe beautiful floors are the heart of any home.

Dunlop Flooring, leaders in the flooring industry for over 50 years, have always been passionate and proud of the products we offer.

We search the globe for the latest in flooring innovation and select only the most beautiful colour variations that nature can provide us.

Heartridge is the perfect flooring option to make your space a place to come home to. Available in Engineered Timber, Hybrid Plank, Luxury Vinyl Plank and Vinyl Plank flooring.

THE STUNNING LOOK OF REAL TIMBER

Hybrid Planks are a quick and affordable way to upgrade your home. Using the latest in multi-layered technology, Hybrid Planks offer the same natural beauty of solid timber with the added benefit of scratch and stain resistance.

They're easier to install, require less maintenance and are intricately embossed for that extra level of realism. With outstanding water resistance and exceptional acoustic performance, they're ideal for any room in the house and perfect for the demands of modern living.

BACKED WITH DUNLOP ACOUSTIC UNDERLAY

Our Hybrid Planks are backed with a Dunlop Acoustic Underlay, a high performance underlay designed to reduce noise in the home and add warmth underfoot.

A DURABLE SURFACE TO STAND THE TEST OF TIME

Dunlop Wearshield provides the extra protection your planks need for your home. The innovative low gloss polyurethane UV Cured protective layer with ceramic beads is spill, dent and scratch resistant – so you can easily care for your floors and enjoy them for many years to come.

SUSTAINABLE PRACTISES FOR A BETTER FUTURE

We are committed to helping the environment and making our homes a healthier place. Awarded the Best Practises PVC Certification by Bureau Veritas, each Heartridge Hybrid Plank is low in VOC's and phthalate free, helping improve air quality in the home.

CONSTRUCTION

Plank Size: 7 x 228 x 1840mm

A durable surface to stand the test of time

Low gloss polyurethane UV Cured protective layer with ceramic beads

0.55mm wear layer - Offering added durability, suitable for a busy home or commercial settings

Décor layer - A true to nature timber design film

SPC Core - 6.0mm stone plastic composite waterproof core which is stable, strong and solid

Backed with Dunlop Acoustic Underlay

1mm high density underlay for softness, warmth and quietness underfoot

FLOORING THAT IS BUILT TO LAST

Heartridge Hybrid floors are built to stand the test of time. From inner core construction to wear layer finish, every detail has been designed to get the most out of your flooring.

DESIGNED FOR DURABILITY

Each Hybrid Plank is enhanced with a multi-layered construction for increased stability, providing outstanding durability, impact resistance and comfort underfoot.

PERFECT FOR HIGH TRAFFIC AREAS

The dense SPC core helps resist impact and indentation – even from high heel shoes. With the added protection of Dunlop Wearshield coating, these Hybrid Plank floors are designed for superior performance in high traffic areas.

SUSTAINABLE PRACTISES FOR A BETTER FUTURE

Backed by the Sensitive Choice program, our Hybrid Plank products are phthalate-free & low in VOC's, contributing to cleaner indoor air quality.

Awarded certificate of compliance (COC). For Best Practice PVC by Bureau Veritas for all Heartridge Hybrid, Luxury Vinyl and Vinyl Plank flooring products.

PERFECT FOR EVERY ROOM

You can have Hybrid floors on any level of your home for a consistent and cohesive look throughout the entire house. It can be installed over most subfloors, as well as existing hard surfaces.

STERLING FALL

WHY HYBRID PLANKS?

TRUE TO NATURE

The realistic timber embossing follows the natural pattern of the grain. Planks are available in the same size as traditional timber boards to create a stunning floor that looks and feels just like real timber.

SECURE INSTALLATION

Our Hybrid Planks use an integrated, user-friendly patented locking mechanism. Built for a speedy and secure installation, these planks click together tightly with no gapping. Adhesives are not required.

THE QUIET ACHIEVER

Equipped with our Dunlop Acoustic backing, test results show a noise reduction of 30% compared to a standard underlay under the NCC (National Construction Code). This makes our Hybrid Planks perfect for apartments and multi-level homes.

EASY TO CLEAN AND MAINTAIN

Real timber boards require a lot of maintenance to retain their aesthetic, but with Hybrid Planks, it's effortless. Thanks to the unique, rigid construction and composition, you don't need to oil, sand or refinish the boards.

VISUAL EXPANSION

Our wide format planks provide a more expansive look to your floors. With fewer boards required to fill your room, your home will look and feel more spacious.

ACHIEVE THE PERFECT FINISH

Our matching accessories are perfect to pair with your Heartride Hybrid floor. Available in all Hybrid Plank colours for the Scotia, Stair-Nosing, C-Channel & T-Mould products.

TRUE TO NATURE

Available in a variety of different colours, Highland Oak Hybrid Plank offers a stylish range of designs that create a modern and sophisticated look for your home.

The 228mm wide planks bring to life the realistic timber embossing, designed to follow the natural pattern of the grain. The Highland Oak range creates a stunning Hybrid floor that looks and feels just like real timber.

3 FREE SAMPLES DELIVERED TO YOUR DOOR

Whether you're renovating an existing home or building a new dwelling from the ground up, the colour and quality of the flooring is an important decision to make. This is why we've set up our Request a Sample service to help you find the perfect colour!

Our Request a Sample service is quick and simple to do. Our samples will be sent to you directly from our warehouse. Choose from a variety of colours across our entire range, to help you compare and contrast the sample with your desired palette. Visit our website today and make your first order!

EASY TO CLEAN

We recommend the use of Bona Floor Care products to keep your floors looking brand new and your home beautiful.

AN IMMACULATE HOME IN 2 SIMPLE STEPS

- Remove loose dirt, grit and dust with a Bona Dusting Pad. If using a vacuum cleaner, ensure the cleaning head has a soft brush to prevent the occurrence of scratches on the floor surface.
- Use a Bona Spray Mop with Bona Stone, Tile & Laminate Cleaner for a spotless finish.
